

VACATION AT BIG SKY

Stay four days, three nights at a lovely three bedroom, three bathroom condominium on the golf course in Meadow Village in Big Sky. This condo has an unobstructed fabulous view of **Lone Mountain**.

One bedroom has been converted into a Den--TV room and the adjoining living room has a fire place for cozy conversation while the kids watch TV. Both rooms have a walk out to a deck with your personal spectacular view of Lone Mountain. **This is truly one of those "best kept secrets" of Big Sky Montana.**

The large kitchen is fully furnished and there is a separate dining area that seats six comfortably.

One of two comfortable living areas for your relaxation and enjoyment!

One of the spacious bedrooms.

Graciously donated by John Hanson and Deborah Anspach. Enjoy!
